Jul 22, Iona Stewart rated it really liked it. When she came out of this self-induced trance, she looked puzzled but relaxed. Even when augmented by psychotropic medications, the success rate of traditional talk therapy remains low. Under hypnosis, I asked her to move back in time to the source of her problems. All I know is that releasing these so-called spirits relieved my patients of their symptoms. During the next session, Breana reported that she was free of her longstanding depression and stomach problems. Entity: "Fifteen, when this dumb kid was using drugs. I continued to search for ways to help my patients. She became emotional and said, "This is my father John. Then what am I going to do? I realized that a person's subconscious mind often has the answers to his or her problems and if I allow the patient to recall, relive, release, and resolve it, he or she can be free of the symptoms. Truly ground-breaking work. I thought she would probably remember a childhood incident when she was being locked in a closet, attic, bathroom, or other small room from where she could not get out. Want to Read saving. ... To see what your friends thought of this book, please sign up. The dust jacket is missing. It stretched my comfort zone, and I took quite a while to mull over Dr. Continue shopping. None of my patients had ever before regressed to another life. When I asked Breana these questions she said, "I am a fifty-five-year-old white male, I live in Pittsburgh, and this is Nov 23, Bob Johnson rated it it was amazing. She instantly found herself regressed to the time of her birth. But why the strangers? Just a moment while we sign you in to your Goodreads account. Pat rated it it was ok Nov 17, I explained to Nick about hypnotherapy and the different reasons my patients in the past have given for their physical and emotional problems, including the problems caused by the current and past life traumas and the earthbound spirits. So it could not be her past life. I asked him to look inside his head and tell me what he saw. She is promoting goodness and healing, and I think that is what is important. Published by Hampton Roads Publishing Company. Trivia About Remarkable Healin I visualize my home, workplace, car and places of recreation being cleansed, filled and shielded by brilliant, white, liquid Light. Mar 29, Judith rated it it was amazing. Condition: new. It will destroy me; it will kill me. After Martha was regressed into her past life to find the source of her claustrophobia, I began to use past life regression therapy effectively for treating patients with emotional and physical problems. She recalled that her father had cancer of the stomach and he had been very depressed after he learned of it. I ask the Divine within myself to stay on guard around me and my surroundings as long as my soul exists. There were many psychologists, psychotherapists, hypnotherapists, and a few psychiatrists who were using what they called "Past Life Regression Therapy. While reading different literature on past life regression therapy, I had noticed Irene Hickman, D. Seller Inventory B Psychiatry remains an emerging discipline. Used Book. Details if other .: The patient feels better temporarily but the problems continue to surface. To my surprise, there were many books written on the subject. Create a Want Tell us what you're looking for and once a match is found, we'll inform you by e-mail. Traditional talk therapy has its successes; it also has its failures. While most doctors would agree that emotional states affect our health, few would give credence to spiritual "influences. Traditional talk therapy helps only a small percentage of patients. Sometimes in just one or two hypnotherapy sessions patients' long standing psychological and physical symptoms started to disappear. Proceed to Basket. I began to treat her with medication and traditional talk therapy. I am afraid to die but what if they close the lid of the coffin and I do not die? This book is confirmation to me of a few things I already believe. If the spirits were real then why was it that none of my patients ever reported them before? But then fortunately she began to describe the healings by the angels and also provided us with prayers by means of which we can ask for help and protection. Nick was willing to try it. More information about this seller Contact this seller 1. Breana's father and the other people in her: were they real or was she fantasizing about him because she missed him? Condition: acceptable. It contains comprehensive details of all possible aspects of "possession", and is extremely enlightening though this is a "dark" subject. Trade Paperback.
